

Turn The Baby's Tears to Laughter

A Gentle Baby Laxative Will Quickly
Relieve the Usual Cause of
the Trouble.

It is often difficult to tell just what is the matter with a crying, peevish baby or child too young to express its feelings in words, but as a general rule the mother will find that there is a tendency to constipation which has brought on a headache or nervousness. The little one has no pain, but feels "out of sorts."

The first thing to try is a family remedy containing good but mild laxative properties, and many mothers will say that their choice would be Dr. Caldwell's Syrup Pepsin. Thousands of mothers keep it in the house for such emergencies, among whom may be mentioned Mrs. John Kirch, Jr., 1527 Abstract Ave., Pittsburg, Pa. She has been giving it successfully to little Walter, whose picture we present at three months, when he weighed 14½ pounds. He is a healthy, laughing youngster today and Mrs. Kirch gladly gives Dr. Caldwell's Syrup Pepsin credit. It saves many an illness and many a large doctor bill, for by administering it promptly when the first symptoms of illness are noticed it prevents a serious ailment.

It is so pleasant-tasting that no child will refuse it, and as it does not gripe, the child is glad to take it again. A bottle can be obtained of any druggist for fifty cents or one

WALTER J. KIRCH

dollar, the latter being the size bought by families already familiar with its merits. Results are always guaranteed or money will be refunded.

Syrup Pepsin is for all the family from infancy to old age, and because of its mildness families should prefer it over all other remedies. It is absolutely safe and reliable. You will never again give cathartics, pills, salts or such harsh physics, for they are usually unnecessary, and in the case of children, women and elderly people are a great shock to the system, and hence should be avoided.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, N. Y. A postal with your name and address on it will do.

LETTER FROM ALASKA.

United States Official Reflects the Love He Has For Children.

Judge George R. Walker, who formerly resided here and who is now United States district attorney in Alaska, has written a very interesting letter to Master Harry Abernethy, son of Dr. and Mrs. J. G. Abernethy of this city.

The letter follows:

UNITED STATES ATTORNEY'S OFFICE

Feb. 1, 1914.

"Master Harry Abernethy,
Ardmore, Oklahoma.

"Dear Harry: I received a Xmas card from Elizabeth and yourself. On one side of your card is a picture of a donkey and you little kiddies riding the donkey. It is fine and I have hung it up on my office wall where I can often look at

it. I hope the smiles on your face and Elizabeth's face are frozen, because the little boy and lady get along better in this world if they often smile. It is a pretty good old world for those of us who feel like smiling and laughing, and I have a little verse that I want you and Elizabeth to commit to memory if you will. I used to recite it when I was a little boy and now I am almost as big as Uncle Sid Suggs. I frequently hum it to myself. It is this:

"It is not just as we take it,
This mystical world of ours.
Earth's field yields as we make it
A harvest of thorns or flowers."
I am sending you by evening mail a package by parcels post containing three parcels of candy. One of these parcels you will take, and one of them you will hand to Elizabeth and one of them you will hand to the little Presbyterian who lives in Uncle Sid Suggs' house over the hill. As you chew this candy, Harry, remember that Judge Walker is still your friend. I am very anxious that you should grow up to be a great big man and a great good man and some day you will have a moustache like your papa and can go down town to business every day and make lots of money, and when I get to be a very old man and am walking around the streets of my city on crutches, feeble and bowed down by age, it will then be your turn to send me a few pieces of candy on Xmas day and probably then, when you are a big, strong man, and I am a little dried up man, the candy will taste as sweet to me because it comes from you as this candy will to you. You have had your Merry Xmas and I hope you have a happy New Year.

"Sincerely,

"GEORGE R. WALKER.

To fill that vacancy you have open or may have open for a bookkeeper or stenographer or operator or bookkeeper and stenographer combined. Efficiency is what you want in your office. We can supply you with experienced or inexperienced help. By experienced help, we mean those who have just finished our thorough practical courses, went through our finishing department where they received thorough drills in office routine. These young men and women are, in most cases, better fitted to render satisfactory service than those who have not been so fortunate as to receive such thorough training in our school, that have had two years' experience in a business office. We also have experienced help listed with us, those who have been holding good positions but for some cause desire a change. We have an excellent student body from which to select just the help you want. We had 2,060 enrollments in 1913.

Please phone at our expense, tell us just the kind of help you need and if we have it, we will recommend it to you, giving full references and past records. If we have not just the kind of help you want, we will tell you so frankly.

SERIOUS RIOT IN SOUTH BEND, IND.

TROUBLE COMES WHEN EFFORT
IS MADE TO CARRY OUT COURT
ORDER REGARDING CHURCH.

South Bend, Ind., Feb. 16.—Seven persons were probably fatally injured and nearly 100 others were slightly hurt here today in a riot which resulted when twenty-five policemen attempted to add Sheriff Edward Swanson in carrying out an order of Judge J. W. Funk that Stanislaus Grzuszka be placed in charge of St. Stanislaus' Polish Roman Catholic church. The mob comprised about 2,000 men and women and after fighting two hours they successfully blocked the effort of Father Grzuszka to take possession of the church.

Father Grzuszka was transferred to the parish a year ago, but the parishioners refused to accept him. Six hundred families in the parish then took charge of the church and barred the doors and windows and petitioned the bishop to assign them another priest. This was refused and the matter was taken into court, where Judge Funk ordered the sheriff to place Father Grzuszka in charge.

Early today the sheriff, a deputy and the priest drove to the church, but immediately were surrounded and the police were called on for aid. Twenty-five policemen were sent to the church and the doors broken open. The angry parishioners then charged the officers and the battle was fought in the street.

The fire department was called to aid the police, but was unable to help, as the mob surrounded the wagons and threatened to cut the hose.

Father Grzuszka watched the night from a house two blocks away.

IF BACK HURTS BEGIN ON SALTS

Take a glass of Salts if your Back
hurts or Bladder troubles
you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick! Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritations, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

CURED HIS RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but I will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 1352 Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

Mother's Advice To Her Daughter

A Real Live Doll to Fondle Is Woman's
Greatest Happiness.

One of the most important matters about which women concern themselves is their future when a grandchild is born. And so it is that many mothers, mothers of the future, are anxious to know of the best method of securing a child who will be a real live doll to fondle and a source of great happiness to the mother.

The action of Mother's Friend makes the mother free, plant and reproduce in expansion. Thus all strain and tension upon the nerves and ligaments is avoided, and in place of a period of discomfort and consequent dread, it is a season of calm repose and joyful expectation.

There is no nausea, no morning sickness, no nervous twitching, none of that constant strain known to so many women, hence Mother's Friend is really one of the greatest blessings that could be devised.

This splendid and certain remedy can be had of any druggist at \$1.00 a bottle, and is sure to prove of inestimable value, not only to the mother, but upon the health and future of the child. Write to Broadhead Remedy Co., 132 Lamar Bldg., Atlanta, Ga., for their book to expectant mothers.

The Skin and Not the Blood.

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientific investigations have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly to the diseased skin.
